PAID WORK LEAVE

➢ Ministry of Labor and Social Security

On September 10, 2026, Government Agreement No. 149-2026 of the Ministry of Labor and Social Welfare was published in the Official Gazette, granting paid leave on Monday, September 14, 2026, to public servants working in centralized and decentralized entities of the public administration.

Public servants who, in compliance with their Collective Bargaining Agreement on Working Conditions, take their day off on a date other than the one indicated are exempt from this provision.

Consequently, this day will be considered a non-working day for the purposes of calculating deadlines that must be observed within the public administration, with the exception of those providing essential public services or those with scheduled activities deemed urgent; in such cases, the appointing authorities must schedule the corresponding shifts to ensure the provision of services.

The Agreement takes effect on September 11, 2026.
